

VANTAREL LLC

World-Class Equipment. Delivered to Industry.

WHO WE ARE

Vantarel LLC is a US-based international equipment supply company serving operators, contractors, and industrial companies across Nigeria and West Africa. We supply oil and gas equipment, heavy machinery, and industrial products directly to our clients. Tell us what you need and we will supply it.

WHAT WE SUPPLY

01 Oil and Gas Upstream Equipment

Drill bits, BOPs, wellheads, Christmas trees, OCTG casing and tubing, ESPs, rod pumps, separators, mud pumps, directional drilling tools, completion equipment, production control systems. Spare parts for equipment already in operation.

02 Crude Oil and LNG Handling Equipment

Storage tanks (API 650), marine loading arms, pressure vessels, LNG handling systems, gas compressors, heat exchangers, gas dehydration units, flare systems, and tank gauging and measurement systems.

03 Pressure Control, Valves and Safety Systems

Gate valves, ball valves, check valves (API 6A and 6D). Safety shutdown systems (SSD), emergency shutdown valves (ESD), SCADA and process control systems.

04 Power Generation

Industrial generators, UPS systems, transformers, switchgear, and motor control centers for field and facility power.

05 Heavy and Agricultural Equipment

Excavators, graders, loaders, bulldozers, agricultural machinery, and tractors. Sourced from American and Asian manufacturers.

HOW IT WORKS

01

You send us your equipment specifications and quantity requirements

02

We provide you with a formal Proforma Invoice for the equipment

03

You review, approve, and confirm your order with Vantarel

04

We arrange equipment supply, logistics, and delivery

WHY VANTAREL

US-Based Equipment Supplier

Fully compliant with US export regulations and Nigerian import requirements.

Exactly What You Specify

Every order is fulfilled to your exact specifications. No substitutions, no generic stock.

Full Certification on Every Order

Complete certification documentation provided with every equipment supply.

Full Documentation and Insurance

Every order is fully documented and covered by cargo insurance from origin to delivery.

OUR SUPPLY NETWORK

Vantarel maintains an active supply network of over 10 established American oil and gas equipment manufacturers and suppliers. Our network covers the full spectrum of upstream, midstream, production, and industrial equipment categories.

Every order is fulfilled directly through our network. You deal only with Vantarel.
